Notes: What happened on interview Highlight part

202: Hi.

NFI: Hello.

101: How are you? Thank you for accepting our interview.

202: Thank you for your cooperation.

303: Hi.

101: Do you mind if we videotape the interview?

NFI: Yeah, no problem, anyway, my camera's not on.

202: All right. The interview will respect privacy and will not be exposed to the Internet.

NFI: Good. It's my first time to be interviewed about a band, especially it's for a topic assignment.

What are you wearing?

101: It's our homemade helmets.

NFI: Wow, amazing.

101: Ha-ha, just using the materials around us.

NFI: Wow, that's great. Can you see each other?

303: Yeah, we also communicate with each other.

NFI: So, are you fans of MINIG, wearing helmets like they do?

101: You'll find out during the interview.

NFI: So, are you going to keep the camera on?

303: Yeah, never mind, just at your convenience.

NFI: Then I am not going to show up. Haven't washed my hair, I look a mess.

303: Ha-ha, It's fine.

NFI: But I can turn on the voice, right?

101: Sure, just suit yourself, Sis.

...

(directly speak on the voice)

NFI: Can you hear me?

Actually, I am a boy. (laugh)

303: Oh my god, sorry.

202: Sorry.

101: Sorry.

NFI: Ha-ha, it's okay. My profile picture is a female member of a band, so people always mistake this for me.

101: Yeah, we thought that was you.

NFI: (laugh) **I shoot live shows a lot and that's one of it. I also have shot MINIG once.**

101: Wow, so you're a live photographer. That's cool.

303: Your WEIBO is so cool that I sent you a private message to ask for an interview.

NFI: (laugh) Thank you, thank you. That's just my hobby.

Do you have bad network? I don't think the sound is right, or ... do you use the Voice Changer?

303: This is our real voice.

(silence)

NFI: Wow! Great, that's cool.

202: Ha-ha. Shall we begin? Let's introduce ourselves first.

NFI: Ok.

101: We're 303 Cyborgs from Cyber Planet. We come to Earth looking for the same species, and we focus on a target, MINIG, and we found someone who might know their true identity, namely you.

202: We have been on Earth for 8015 days and recently the appearance of MINIG makes us think that the civilization of the Cyber people can continue again. You seem to know some of our internal information, so we'd like to have an interracial communication with an earthman like you.

NFI: Wow. (applause & laugh)

303: We Cyborgs also have human genes. Ha-ha, I just want to have a relaxed chat with you. I hope the relationship between Cyber-Planet and the Earth will develop harmoniously.

NFI: Peace and love (laugh)

101: Have you posted information about the possible real identity of MINIG on an Earth software?

NFI: I haven't published their real identities, but their identity as Cyborg.

202: Then have you ever guessed the identity of MINIG?

NFI: I have some guesses, but I've only identified one of them, and I'm not sure about the others.

303: So how do you distinguish them? They're all wearing helmets and their voices also have been processed.

NFI: I think it should be a kind of stage style. To be honest, the sound, they didn't deal with it completely when they were singing, so it's easier to distinguish.

202: Besides the stage style and sound, do you have any other basis for judgment?

NFI: In addition to that, I think there are also some similarities. For example, the theme of lyrics. Or....

(thinking...)

the music style and what they want to express is actually different.

202: So, you just said you've identified a member, do you know something about his life off the stage?

NFI: Um... Life off the stage... What do you mean about?

101: It's like what kind of person he is in private. His character, or his daily life.

NFI: He's also a cool guy in private.

I think he is very friendly to fans, no sense of distance, and no burden on his image.

202: So, you've been in touch, right?

NFI: Our contact is more in live performances.

202: So, do you chat?

NFI: How to say...

Well, it's not a formal chat or anything. I talked with them when they have an album signing.

202: Sounds great. It's close contact.

303: Ha-ha.

101: So how do you think of MINIG appearing in the public view with wearing a helmet?

NFI: Um...I'm sorry, Just a moment. I'll take you a few minutes. There's something. I'll be right back. sorry. I'm sorry

202: It doesn't matter.

101: It doesn't matter

303: don't worry

101: Get on with what you are doing, we can wait.

... ..

NFI: Sorry, I'm back, um...Back to the thing you've just said, wearing helmets and their other modeling are beyond the current aesthetic trend. I think it's because they want to shape this Cyborg character now. **Also, the current image is more in line with our imaginations about aliens. So, I think they have their reasons and purposes to keep such an image all the time.**

Um...

I don't really care about their real human identity. Because I think that the Cyborgs... I mean if MINIG gets rid of the title of Cyborgs, it's just ordinary human beings, So I think it's important for them.

202: So, in your opinion, this is also an important factor for MINIG to attract earth fans.

NFI: **Well, yes, but I don't think they are trying to attract fans or anything deliberately. They need to maintain this image, which I think is what they need to maintain as Cyborgs. Um...For example, it's like magic. Once someone has seen through it; it doesn't work and it's not wonderful anymore.**

202: Well, helmets are very significant for us Cyborgs, MINIG's helmets create a sense of mysterious for the earth people. Do you think their helmets have a certain impact on their musical composition?

NFI: Well, if you want to talk about the impact on musical composition, I can't say it specifically. After all, it's their own thing. But from the published works, I don't think it has any influence, because what they focus in their songs is still on human, not cyberspace, which is closer to our life.

202: Well, since you mentioned that you already know the identity of one of the members, under such a premise, will it affect you when you watch their performance? Will you think "I know who he is, it will let me feel a little bit different"?

NFI: No, no, that's not going to happen. Because I think they are MINIG, **I already have accepted the role setting, and I also hope to integrate into them through this role, to better feel what their songs express. I will follow the identity they created into their world, which is why I say I don't care much about their other identities.**

Oh, By the way, um...

I'd like to add a little more about the influence of musical composition. It has no impact on what the lyrics want to express, but it influences how they sing. They just deliberately change their voice to fit their identity.

202: We've also known about MINIG's songs, we feel that this band is very brave in expressing the views of human beings on earth. Do you have any sympathy for this?

NFI: There must be resonance, otherwise I would not like them. They are making their insistence for something and shouting for it. They are insisting on their own firm idea.

202: What do you think it is? Can it be more specific?

NFI: Let me think about it...It's actually quite simple. For example, they insist on being real. **They have their own language CU4REAL, they just want everyone to be real.** For example, the lyrics in their "little love song" also mentioned, "People used to laugh at me, saying that I didn't know how to sing and that my voice was patronizing, so, let them all die." I don't think this sentence will appear in our present subjective way. Because I think this kind of thing, you see, now even in the variety show, death has to have a double quotation mark, and their... (...Signal is not good...)
I think this is a big driving point for them to keep their real.

101: **As you say being real, why don't they show their true identity? Is it contradictory to the real they want to express?**

NFI: No, it's not contradictory. I think it's in line with it, because they are Cyborgs. **If they take off their masks, they will make people think they are Cyborgs in disguise. We just have to feel that they are Cyborgs from the bottom of our hearts. Only with this identity can we make them more real as a whole.**

101: So, have you considered that they are not real earth people even if they take off their masks?

NFI: I don't think I haven't thought about it. I just don't want to think about it, because I always think they are Cyborgs. On the contrary, I don't want to see the time when they take off their masks.

202: You really support our Cyborg culture. **Have you noticed that other people on earth are not willing to accept the image of them wearing helmets?**

NFI: **Yes, this is also the problem of most human beings. Human beings always believe that they have seen through the facts and always want to expose them, just like they have seen through the truth. But what does MINIG do, in fact, is to maintain a kind of people's yearning, to maintain the love and beauty for this yearning. Most humans don't understand their ideas well or systematically.**

202: That is to say, has their images ever been criticized?

NFI: Um...

I think they've suffered some bad comments, like be regarded as fake, and be thought to imitate Daft Punk.

202: Will you fight back against these comments of those earth people who think they are smart?

NFI: Actually, no. I think they don't imitate anyone, and they are real. I understand them. That's enough. And I think it's useless to respond. People will only understand what they've understood, and they will only think they are right. If you talk too much, they think you are defending.

Only he knows it from the bottom of his heart. Maybe it's hard to do it with just a few words. You need to be heartfelt... or really interested in understanding them first, and then you can really understand them. So, I think it's counterproductive to respond too much or respond deliberately.

202: Wow, we reasonably suspect that you are also a member of Cyborgs.

NFI: Actually, what I really want to ask is, are you Cyborgs, too? You're not a band member, are you?

101: Yes, we are Cyborgs. We come to earth to find our own kind.

202: (Laugh)

303: Yes, we just want to have a friendly group of Cyborgs on earth.

(silence)

202: Oh... 303 what were you saying just now? Your signal is not very good.

303: Really?

202: We didn't get your signal.

303: OK, I'll decode it for you again. I just said, we just want to have a friendly group of Cyborgs on earth. Can you hear me?

202: Ha-ha, yes, so will MINIG use songs to fight back those bad comments?

... ..

202: Hello, can you hear me?

101: His signal doesn't work, he disappeared.

202: Hi, the lucky earthling, your microphone seems to have been muted by you, so we cannot receive your message.

NFI: Hey, can you hear me now? I've reconnected it.

202: Certainly, welcome back.

NFI: Sorry,

I completely missed what one of your members was saying earlier.

202: No worries, there might be some electromagnetic interference.

So, now, can you listen more clearly to the sounds of our spaceship?

NFI: Yeah, I can.

202: Well done! Let me repeat the question, are the MINIG's songs a response to the online haters? What do you think?

NFI: You mean the way MINIG responds to bad reviews, don't you?

202: Yes.

NFI: In my opinion, maybe. But, in fact, it's impossible to eliminate every negative review, mainly because if you are publishing something, if you are making something, there are definitely some people who say it's great and some people who say it's not. The more important thing is that MINIG are expressing their voice, and I think that's enough. Actually, they rarely use songs as a way of fighting back against the haters, and only one song, "Little Love Song" is expressing their attitude towards bad reviews.

202: In your daily life, are you willing to introduce MINIG to your earthly friends? Have they ever asked you? "Hey, do you know what MINIG really looks like?" What would you say if you were in this situation?

NFI: First of all, I don't think I would introduce them, I prefer to get to know them in my own way, like I just mentioned that I would go to live shows and take photos and videos, share songs and so on. My friends have never asked me who they really are, and if they did, I would say, "Don't focus on their true identities, since I think they're MINIG, that's who you see. Yeah, that's enough."

202: Let's imagine a situation, if one day MINIG's true identity was accidentally photographed, do you think they would still be able to live and work normally on Earth? Just a hypothetical thought for you to try to think about.

NFI: Let me think about it ...(silence)

I think it would certainly be fine to proceed normally. Mainly because the Cyborgs identity is more of an aspiration and people should protect that aspiration more than anything else, that's enough, the real identity doesn't really matter that much. Unlike other Cyborgs, I think they care more about who they are, so they don't want to reveal their true identity, and I think, they also want to show that people should have their own persistence and wonderful aspirations, and not always want to find out the truth, which is often cruel and boring.

202: In that case, speaking of the truth, we noticed on WEIBO that you have posted about the connection between the MINIG and another band on this Earth app, does that qualify as some kind of truth?

NFI: (Laugh)

Well, I don't view it's a truth, it's just a connection, like you said, as they did a joint tour in 2019, so it doesn't mean anything, and there are only two people in that band and five in MINIG, so I don't think it's a truth, that's all.

101: Okay, so let's finish the interview with a little interaction game of 'face painting.' I'll tell you the rules of this game: you describe, and we draw, to paint a picture of what you think MINIG would look like in their daily lives. But if you are interested in painting, you can also draw the image by yourself, and then show it to us. Here are some examples to show you how to do it.

NFI: Um..... let me see

101: Here's an example of what we've tried to do ourselves, or can you tell us what form you'd like to use this blank person, just to show how they look in your mind?

(a moment of silence)

NFI: If possible, I think they're just cute and cool, and the band members have a habit of gesticulating while they perform on stage 🙌 . It's funny because when the music comes on, they immediately being cool, which means two sorts of people who have totally different characters on frontstage and backstage, you know Um... I would call it the beauty of difference, so you can draw it according to what I said, although it is kind of abstract.

101: Do you want to give us some more information? Like expressions, hairstyles, accessories, clothes colours, things like that?

NFI: Yeah, no problem, no problem, I don't think I'm very good at drawing something, but I can give you some pictures and videos that I've taken on live concerts.

I'll send it to your WeChat (the link of photos)

(<https://m.weibo.cn/1719861161/4594831593313924>),

Please give me a second.

...

Yeah, these photos can be your references, but they're of the band when they're singing. On backstage, they occasionally being cute. From my perspective, privately, they tend to wear simple clothes, like white T-shirt and jeans. In short, they are simple, cute and natural people.

101: Okay, we got it, we'll draw it for you, please wait me for a second.

NFI: Um...Could you send it to me by WeChat when you finish, I have to attend another meeting later, sorry.

202: No problem, we'll send it to you after we finish it.

NFI: (laugh)

All right, whatever is fine, but I am still fond of the MINIG's identity of Cyborgs and shining on stage.

101: (laugh) Ha-ha, we also believe they are very very cool, so that's the end of the interview for today! Thank you very, very much for your cooperation!!!

303: Yes bro. Thank you so much for your time!

202: Thank you very much

101: Ah, we'll give you a little gift to show our appreciation.

NFI: Oh my god, it's very kind of you, actually, I think it's great that you guys like MINIG and like music and support musicians, it's a cool thing!

101: Well, it's the least we could do.

NFI: (laugh) Ok,

Actually, **the official MINIG blog has followed me** because I've been posting some pictures of their concerts to express my love for them, and then suddenly, one day, they noticed my WEIBO and followed me. What I want to say, please stick to what you want to do, and one day the people you are fond of will be able to notice you, sharing an idea I've gained at the end. (laugh)

202: Exactly, those who are passionate about it will be lucky.

NFI: **I think you guys are also cool, do what you love to do and stick to making yourself better, what you guys want to interview about MINIG today is already very different from what others are doing** (laughter).

Ok, Good night, bye Cyborgs.

202: Thank you, good night, bye

303: Bye bye, always cheers!

101: Bye bye

(XX will be typing, 303 Cyborgs will turn on the video and mic)

(XX enters the meeting)

101: Hi.

202: Hello.

(XX exits the meeting)

101: Today's signal is not very good, and thus our video may flicker...

303: Where is she?

101: Hi? Are you here?

202: Is there a problem with the signal?

101: Did she leave the meeting?

303: Seems like it.

(laughed awkwardly)

101: Oh. That's weird, she obviously joined the meeting just now, right?

303: Yes, but she joined and quit immediately.

202: yep.

(XX enters the meeting again)

101: Hello, hello, can you hear me?

XX: I was freaked out. I thought I was in a conference organized by the dark web. I recently watched a movie clip about the dark web. Anyway, I feel that someone is always watching me behind the computer screen. They know what I do on the Internet.

303: Ha-ha, don't be afraid, it's us.

101: Thank you for accepting our interview!

202: Don't be nervous! Don't...

XX: Ha-ha

XX: Nervous, I am so nervous.

XX: Your helmet is MINIG style. Cool!

303: Ha-ha, we made it with materials around us by ourselves.

XX: Your backgrounds also look so cool. (101 has started to do a game of guessing MINIG's songs)

101: Let's have a warm-up game before starting the interview. Look at the picture in the chat box and guess which MINIG song this is, would you like to try it?

XX: Of course.

101: OK. Here is the first one.

XX: South Beauty of China?

101: Then this is the second one.

XX: Emmmm. (like um...)

XX: Drama Queen!

303: Very good, you are all right. Indeed, you are a loyal fan.

XX: The elements of the pictures are very prominent, so I got them quickly.

303: Awesome!

101: Would you like to turn on video or voice?

XX: Oh, I'll just type.

202: No problem, do whatever you want.

202: All right. The interview will respect privacy and will not be exposed to the Internet. Don't worry.

XX: Got it.

XX: Sorry, wait!

101: Yes? What's wrong?

XX: Oh god, I'm too stuck watching the video here, can you all type?

101: Will you get stuck when we open the camera?

XX: Yes, my phone will get stuck. I feel like it's going to be frozen...

101: It doesn't matter, so all of us just type to talk.

(The following is a typing chat)

202: Then three of us will introduce ourselves first.

XX: Please. 😊

101: Here is the online connection from the cyborg spacecraft, we are 303 cyborgs! First of all, congratulations on your becoming the lucky fan. Today you will spend a relaxing and happy time with us.

202: We have been on Earth for 8015 days and recently the appearance of MINIG makes us think that the civilization of the Cyborg can continue again. We know that you are a hard-core fan on the earth, so we'd like to have an interracial communication with earthmen like you.

XX: Wow! I'm so honored!

303: Our cyborgs also have human genes ha-ha. We just want to have a relaxing chat with you and hope that the relationship between Cyber Planet and the earth will develop harmoniously.

101: We want to know how you got to know MINIG?

XX: In 2019, I saw a band I liked reposted some MINIG's WEIBO, and then I gradually understood that I liked it~

101: How did you feel when you saw MINIG for the first time? Do you like them just because your favorite band recommended them to you?

XX: The first feeling is that it blew me away and is fresh, whether it is the appearance or the music itself. The most important thing is that I like their concept very much, "seeking freedom in order", which means that does not require labels, breaks the rules, and then put many things reintegration.

XX: In addition, they are very cute under the metal exterior!

101: It seems that you really love MINIG and know them well~ In that case, you started to be keen on them in 2019. You are indeed a senior fan!

XX: You are welcome.

101: So, have you ever contacted MINIG privately? Or have you ever met them on the street?

XX: Yes, I did, after watching the concert. However, the chance to encounter is all dreaming, Ha ha.

202: Oh, you are so lovely.

XX: It's too conspicuous for them to walk on the streets on Earth.

101: So, you think they are not people on earth, either?

XX: They are Cyborgs, aren't they?

101: Intuitively, it seems to be.

101: Have you never doubted that they have dual identities?

XX: I'm a senior fan, I must know their identity.

XX: They just said that each member is half-robot and half-human, so it doesn't seem necessary to be entangled in whether they are humans or not. I think we accept this setting in order to receive the new experience they bring to us.

101: Yes, I think you are right.

101: From another perspective, do you think the Cyborgs have the personal freedom to live on earth? I mean the time when MINIG is not on stage.

XX: The freedom to decide is in them.

XX: But I think since half of them are humans, they are bound to encounter problems that every human will encounter.

101: As a person on earth, what are the problems you are talking about?

XX: Working spirit. We are the working class!!

XX: Now that if they have come to the earth, they have to work hard to survive. This is not free. However, they are doing what they like about music, which is free to me, so I think in terms of freedom, you should ask MINIG, not me.

202: Wow, obviously you are an earthling with your own mind. 👍

101: For most people on Earth, MINIG seems to hide many secrets. I think most of this mystery stems from their appearance, especially their helmets. Do you think their peculiar helmets have brought them anything?

101: For example, what are the benefits?

XX: From a human point of view, it may be a helmet, but from a Cyborg point of view, this is their head. This device (called that for the time being) prevents us from seeing their expressions like human beings, but just as they sing in their songs:

X: (*lyrics*)

Don't need to know who i am,
The stories are all hypocritical,
Just accept my love,
Confess to yourself again,
Don't need to see my face,
The expression will deceive,
Just respond to my heart,
How often it beats,
Don't look into my eyes,
Sometimes not firm,
Just listen to my voice,
Is the only information.

XX: We live in a world full of hypocrisy, how should we treat sincerity?

101: God! This is the first time I have heard people on earth consider that as our Cyborg's head, not a helmet! I'm impressed!

XX: The slogan of the MINIG is CU4REAL, but if you think that they are wearing a helmet on performance is insincere, I think it is a question worth considering. So, I think about it in a different position. That is their head and their true face. Ha-ha

101: Hypothetically, only hypothetically, if they one day show up as a human, what would you feel as a fan?

XX: As long as their inner thoughts remain unchanged, I don't care about their change of appearance.

101: So, you think their music creation will not change, right? The music style will also not be affected.

202: How about their freedom to create art?

XX: They have revealed that the next album will be a bit more cyberpunk. Judging from their development trend, it is estimated that there will still be various fashion styles and breaking styles in music. **And the appearance is only a supplement to the character setting, the music itself will still stick to their original intention.**

202: Compared with the mass music market on the earth, the music style of cyberpunk is still little-known. Do you think this music style can last and develop for a long time on the earth?

XX: I think it will. Although there are not so many people who listen to it, but they always exist.

101: **Have you ever been afraid that their new rock and roll is a kind of cultural invasion to the earth's modern music civilization?**

XX: **It's not an invasion. This is actually the recombination and fusion of some things that originally existed on the Earth. For example, the DNA is fixed, but when recombined, maybe will produce something different.**

XX: MINIG doesn't want to invade anyone, just hope that a few people who have not found a position can use this belief as a reference.

XX: Even the cultural invasion, it really doesn't reach this level. Just like you said, it is still a niche music.

202: As a senior fan, have you been to live performances many times?

XX: I've only been to the live show once. Because of work restrictions, I can't go to their every live show.

XX: The live show is really amazing! I still remember the performance of 2019.

101: Can you tell us more specifically?

202: Try to describe how you feel. Ha-ha...we haven't had a chance to experience the scene yet.

XX: MINIG's music is kind of heavy, as a result, it's easy to cheer on the scene. At that time, because MINIG was becoming known and debuted, and thus, there were not many audiences going to the live concert. Even the people who came to the concert didn't know who they were. But after watching the show, lots of people began getting attached to MINIG. So, they definitely have a different kind of charm!

XX: I remember an audience went directly to the stage during the previous performance. At the same time, the MINIG itself also adheres to a principle: we are all MINIG. The atmosphere was very relaxed!

101: It's so attractive. I must go to their live show once!

XX: Don't miss it!

202: So, whether it is the audience or MINIG, coming to the concert is like coming to the Cyber Planet.

XX: Of course!

If necessary, you can also dress up as a cyborg. Just like the earthlings said that putting on a helmet.

101: If a MINIG's helmet is available for sale, would you buy it right away?

XX: Why should you think it necessary to ask me? I will, of course. Ha-ha

101: It goes without saying that you will definitely buy it!

202: You really support cyber culture. Have you noticed if some people on the earth are unwilling to accept their appearance on the earth? Have you seen some negative comments?

XX: There must be some negative comments. Some people say it is imitating daft punk, some people say it is a blasphemy of metal, etc.

202: Will you go to fight back those people on earth who post offensive reviews?

XX: **What I want to say is, are you imitating humans when you have eyes and a nose? And no matter what it is to the Metal Fans, it is an attempt to innovate, and shut up if you don't like it!**

XX: I rarely reply to bad reviews because you can never control other people's thoughts and shut them up.

XX: **But the controversy has proved MINIG's value of presence.**

202: Well done!!

202: Would MINIG use their songs to fight back?

XX: Yes, they can hit back with lyrics. But anyway, peace and respect are the most important.

202: **Agree! Finally, we want to know whether it have any potential impact on your real life after you understand the Cyborgs?**

XX: **First of all, although I have a little understanding of cyberculture, it is far from enough. Because cyberpunk is like a society, I can't understand all aspects of this society. MINIG can be my guide to this culture.**

XX: I like this spirit at a deeper level, which keeps breaking through yourself and updating and you always have the potential to do the next thing.

101: If we successfully gather our companions on Earth, would you be willing to help us and MINIG to build a world of new species.

XX: My honor!

303: At the end of the interview, we will end it with a game called 'painting face'. Have you received the brushes and cards that we sent you?

XX: Is it this one?

XX: /Users/hantianhui/Desktop/IMG_1816.JPG

303: We can't see that, could you send it again?

XX: Give me a second.

303: This is fine.

202: Well, let me show you an example directly

XX: OK

202: Did you receive the blank character on the left?

(Sample picture)

202: You can draw by yourself to depict how MINIG in your mind looks like off stage.

XX: Yes, I received.

XX: Is it painted like the picture on the right?

XX: Ok, I am going to try.

101: Thank you~

202: Ok.

XX: I'll send it to you on WeChat after I draw it, I can't send pictures in this chat box.

202: No problem.

101: Thank you for coming today! luckily, this is the first time our spacecraft has people from Earth as a guest.

I hope there will be another chance to meet you in the future, and you are welcome to come here again!

101: Let's call it a day!

XX: Thank you for loving MINIG!

303: Perfect answer! Thank you so much!

XX: Hope it helps. Bye

101: It's very helpful! ! Bye~

202: 哈喽哈喽

NFI: Hello

101: 你好呀，谢谢你接受我们的采访！

202: 谢谢你愿意配合我们

303: 嗨

101: 我们可以对整个采访过程录屏吗？不知道你会不会介意

NFI: 可以的，没事，想录就录，反正我没有开摄像头。

202: 好的，我们的整个采访都会受到保护 我们不会把聊天记录发到网上的 你放心

NFI: 哈哈，我也是第一次遇到要采访乐队的。而且还是做课题之类的。

NFI: 你们戴的这是什么？

202: 是我们自己的做的头盔

NFI: 哇 好厉害

101: 哈哈，都是用身边的材料制作的

NFI: 哇哦 太厉害了 你们能看见对方吗？

303: 可以的可以的 我们还要彼此交流呀

NFI: 所以你们是 MINIG 的粉丝吗？要和他们一样戴头盔

101: 这个一会你就知道了 我们会在采访的时候告诉你我们的身份

NFI: 你们要一直开着摄像头是吗？

303: 是的，没关系，你不想开可以的，

NFI: 那我不开了，我没有洗头，太丑了

303: 没关系，可以的

NFI: 但我可以开语音，可以吗？

101: 可以的可以的，你怎么方便怎么来，姐妹。

NFI: 你们现在听的到吧， 其实我是个男生，哈哈 (直接开语音)

303: oh my god, sorry

202: sorry

101: sorry

NFI: 哈哈哈哈哈，没事的，因为我头像是一个乐队的女成员，总是遭人误会这个是我

101: 哈哈哈哈哈我们也以为那是你

NFI: 因为我经常拍摄现场演出，这个是我现场拍的。我也有去拍 MINIG

101: 哇 你是拍现场演出的，挺厉害的厉害

303: 看了你微博觉得好酷，所以就找到私信问你愿不愿意接受采访了哈哈

NFI: 哈哈 谢谢谢谢 爱好而已

NFI: 你们是信号不好吗？感觉声音不太对诶，还是你们开了变声

303: 这就是我们真实的声音

NFI: 可以可以，酷

202: 哈哈 那我们开始吧 我们先做个自我介绍

NFI: OK

101: 我们是 303cyborgs，我们是来自赛博星球的，来到地球想要寻找同类，所以我们锁定了一个目标 MINIG，所以就找到了可能知道他们真实身份的人，也就是你

202: 到今天为止 我们已经来到地球 8015 天 直到最近听到了 MINIG 的出现 让我们觉得赛博星人的文明又可以继续延续 因为你好像知道我们的一些内部信息 所以我们很希望与像你这样的地球人进行一次跨种族交流

NFI: 哇（鼓掌声和笑声）

303: 我们赛博星球人也是有人类基因的哈哈哈哈哈 只是想与你进行一次轻松的聊天，希望我们赛博星和地球的关系和睦发展

NFI: peace and love

101: 你是在地球软件上发布过有关 MINIG 可能的真实身份的信息吗？

NFI: 真实身份没发布过，但是他们是赛博星球人的身份是有发布过的

202: 那你对 MINIG 的身份有没有过一些猜测呢？

NFI: 猜测是有的，但是只确认过其中一人的身份，其他的都不确定

303: 那你是怎么判断的呢？他们都带着头盔 而且声音也被处理过

NFI: 我觉得应该是舞台台风吧，因为这种声音在唱歌的时候其实是没怎么处理过的，所以还是比较好辨别

202: 那除了这个台风贺声音之外，你还有其他判断的依据嘛？

NFI: 除此之外的话，我觉得还是有些有相似性，比如歌词主题，或者就是，（思考）其实又是不同的，风格和他们要表达的东西其实都会有所不同

202: 那你刚刚说你有确认过一个成员的身份，那你有了解过他的舞台下的生活吗？

NFI: 舞台下的生活... 你是指关于什么方面的呢？

101: 就是比如 TA 私下是个什么样的人？TA 的性格，或者日常生活之类的

NFI: 私下也是挺酷的一个人吧，我觉得然后她对待粉丝很友好，没有距离感，没有太大的包袱。

202: 所以你们就是有所接触是嘛？

NFI: 更多的接触应该是在现场演出吧

202: 那你们有聊天嘛

NFI: 怎么说呢，嗯... 不算是正式聊天什么的吧，签售的时候是有说过一些话的

202: 那不错耶，也算是近距离接触了

303: 哈哈哈哈哈

101: 那你觉得 MINIG 是为什么选择戴着头盔出现在大众视野里呢？他们整体风格对于地球人来说甚至有些超越现在的审美趋势在里面的，我觉得。

NFI: em... 不好意思，稍等耽误你们几分钟，有个事，马上回来。不好意思，不好意思。

202: 没关系没关系

101: 没关系

303: 没事儿

101: 你先忙

...

NFI: 哎，不好意思我回来了

NFI: 就是我才刚才说你，就是说的这个问题觉得，他们戴着头盔，还有他们的造型是不是超越现在的审美趋势。我觉得是因为他们现在是想要塑造这个赛博星人的角色，然后呢现在的形象也是比较符合大家对于外星人的形象的，所以我觉得他们要一直保持这样的形象是有一定原因还有目的性的。

NFI: 我是其实不太在乎他们的真实的人类的身份的，因为我是觉得赛博星人... 就如果 MINIG 脱离掉了这个赛博星人这个 title 之后，而就只是普通的人类了，（所以我觉得对他们来说还是挺重要）

202: 所以在你看来，这也是 MINIG 吸引地球粉丝的一个重要因素？

NFI: 嗯算是的，但是我觉得他们并不是刻意为了吸引粉丝或什么的，而是他们需要保持这个形象，我觉得这是他们作为赛博星人需要维持的

NFI: 比如说，举个例子啊，这就像魔术嘛，一旦有人将它识破了之后，或者说一旦看穿了它是怎么变得，它就不成立也不精彩了

202: 嗯，头盔对于我们赛博星人来讲是个很重要的存在，MINIG 的头盔对地球人来讲营造了很神秘的感觉，那你觉得这个头盔对他们的音乐创作来说有没有一定的影响呢

NFI: 嗯... 要想说对音乐创作的影响，其实不敢具体地说，毕竟是他们自己的东西。但是我就以目前已发表的作品来看，其实我觉得是并没有什么影响的，因为它们的歌曲说的东西也都还是人类发生的，而不是赛博星球发生的，还是比较贴近我们生活的。

202: 嗯，因为你之前提到你已经知道了其中一个队员的身份，那在这样的前提下，当你去观看他们的表演时这对你会有影响吗？那你会不会觉得，我知道 TA 是谁了，这会让我有一点点出戏。

NFI: 不会不会，那绝对不会的。因为本身我就认定他们就是 MINIG，我是接受这个角色设定的，我也希望能够通过这个角色去融入他们，去更好感受他们歌曲所表达出的东西。我会跟随他们营造的这个身份进入到他们这个世界，这也是我为什么说我不太在乎他们其他人身份的原因。

哦对了关于刚才问的音乐创作的影响这个问题再补充一点，从歌词想表达的东西来讲没有影响，但是从唱法来讲有影响，他们刻意变声了去符合他们的身份

202: 因为我们也有了解过 MINIG 的歌 我们觉得这个乐队在很勇敢地表达地球人类的观点，你有共鸣嘛？

NFI: 共鸣肯定是有的，不然我也不会喜欢他们，他们在为一些东西作他们的坚持并为此发出他们的呐喊，他们在坚持他们自己坚定的那个想法。

202: 你觉得是哪些东西呢？可以具体一点讲嘛

NFI: 让我想一下，其实还蛮简单的，就比如说他们所坚持的 real, 他们有句自己的语言是 CU4REAL, 他们就是想大家都要 real, 比如说他们的《小情歌》，他们里面的的歌词也提到说，“人们曾经嘲笑我，说我不太会唱歌，声音很做作，就让他们都去死”，我觉得这句话在我们现在的一个主观的方式里是不会出现的，因为我觉的这种东西你看，现在连综艺节目里，连死都要带个双引号，而他们这种 (... 信号不好...) 我觉得这就是他们在保持他们的 real 的一个很大的发力点。

101: 那你这样说的话，他们为什么不展现自己的真实身份呢，这跟他们想表达的 real 相矛盾吗？

NFI: 不不不，不矛盾，我觉得反而是符合的，因为他们本来就是赛博星人，他们摘下面具反而就让人家觉得是假扮的赛博星人，我们就是要发自内心的觉得他们就是赛博星人，有这个身份在，才会让他们整体更加 real。

101: 所以你有考虑过他们摘下面具也不是真正的地球人吗[思考]

NFI: 我觉得我不是没考虑过，我是不想考虑，因为我一直认定他们是赛博星人，我反而不想看到他们摘下面具的那一天

202: 那你确实是很支持我们赛博星文化[赞]，那你有没有注意到 是否其他地球人不愿意接受他们戴着头盔的这个形象呢？

NFI: 是的，所以这也是大部分人类的问题，人类总是自作聪明，总觉得他们看穿了事实，总想去揭穿，就好像他们看穿了真理一样。但是他们做的，其实是维持一种人们的向往，维持那一份对于这个向往的热爱，美好。大部分人类并没有更好或者更加系统地了解他们的想法

202: 那就是说他们这个形象有没有遭受过一些不好的评论呢？

NFI: 嗯，不好的评论我觉得是有遭受过，有觉得装的，也有觉得模仿 daft punk 的，我觉得。

202: 你看到这些评论 会去回击那些自作聪明的地球人吗

NFI: （笑）话是这么说的，但我还是不会，其实主要是因为我感觉他们并没有模仿谁，也没有装，我理解他们，这就够了，因为我感觉回应也是没用的，人们只会去理解他们所理解的，他们只会认为自己是正确的，你讲太多，他反而觉得是在辩解。只有他发自内心的去了解。可能只凭只言片语很难做到，需要你真的是要发自内心的... 或者是真的有兴趣去首先做到了解他们，然后才能够真正做到理解。所以我觉得做太多的回应或者刻意去回应反而就适得其反。

202: 哇哦 我们合理怀疑你也是我们赛博星人一员

NFI: 不过我还蛮想问的是，你们也是赛博星人？不会就是乐队成员吧？

101: 是的我们是赛博星人，我们来地球寻找同类

202: 哈哈哈哈哈

303: 对，我们只是想搞一个赛博星人在地球的一个同好会

...

202: 哦... 303 你刚刚在说什么，你的信号不是很好哎

303: 哦这样吗

202: 我们没有能接收到你的信号

303: 好的，我在再帮你解码一下 ... 我刚是说，我们只是想搞一个赛博星人在地球的一个同好会，能听到我说话嘛？

202: 哈哈 是的 所以 MINIG 是会用歌曲来回击那些恶评吗

... ..

202: hello, 你可以听到吗？可以听到吗

101: 他去哪了，他消失了

202: hello, 这位地球人，你的麦克风好像被你静音了。

NFI: 哎，现在听的到吗，我重新连接了一下

202: 听得到了，欢迎你回来。

NFI: 刚才，那个另外一个成员后面说话为什么电音了，我完全没有听到她在讲什么。

202: 哦哦，我再问一遍好了，MINIG 是会用歌曲来回击那些恶评吗

NFI: 你是说他们会用歌曲来回击恶评吗

202: 对

NFI: 我觉得也许吧，但是，其实恶评是不可能消除的，主要是你有在发表东西，你有在做东西，就肯定有人说好，有人说不好。更多的是他们在表达他们的声音，这就够了。不过他们回击的确实很少，也只有《小情歌》在回击

202: 那你会向你的地球朋友介绍 MINIG 吗？他们是否有问过你，哎你知不知道 MINIG 到底长什么样子呢？如果有这种情况的话 你会怎么去说呢？

NFI: 首先，我的话我觉得我不会介绍，我更倾向于用我的方式去让大家认识他们，譬如说我刚提到我会去现场演出拍照片和视频，歌曲分享等等。我没问过他们的样子，有的话我也会说不要去在意他们的真实面目，因为我觉得他们就是 MINIG, 这就是他们。这就够了。

202: 如果有一天 MINIG 的真实身份被不小心拍到，你觉得他们在地球上正常的生活和工作吗？一个假设性的思考，你可以试着去想一想。

NFI: 我思考一下..... 但是我觉得正常进行肯定是没问题的，主要是因为赛博星人的身份，其实这更像是一种向往，人们更应该，就是只要守护这份向往就行了，真实身份其实并没有那么重要。只是他们和其他赛博星人不同的是，我觉得他们对于自己这个身份更在意一些，所以他们不想去露

出本来的真面目吧，以及他们我觉可能也想告诉人类，人们应该有自己的那份坚持和美好的向往，而不要总想着去看看到真相，真相往往是残忍而无趣的。

202: 说到真相，我们之前在微博上找到你，看到你在微博这个软件有发过 MINIG 和另外一个乐队，这可以算是某种真相吗？

NFI: (笑) 哈哈好吧，我觉得这不算什么真相吧，只是某种联系，因为 19 年他们自己弄了两个乐队的联合巡演，所以这并不代表什么，而且那个乐队固定人员只有两人，而 MINIG 是 5 人，所以我觉得的不算。

101: 好，那我们最后以一个“画脸”的小游戏结尾，这个小游戏是你说我们画，描绘出你心中的 MINIG 在舞台下的样子。但是如果你感兴趣也可以自己画了，然后再展示给我们，这边给你展示一下几个例子，给你看下怎么画

NFI: 嗯嗯嗯，可以

(图)

303: 这是我们之前找的一个采访的人画的，或者你看看想用什么形式展现吗，就是展现他们在你心中的一些形象

NFI: 如果硬要说的话我觉得他们就是又可爱又酷，成员喜欢比👉又喜欢扮可爱，我觉得很有趣的就是当音乐一响起又马上酷了起来，他们私底下和舞台上就是两种人，就是你知道吗，这种感觉有种冲突美，所以我觉得你们就可以这么画吧。

101: 可以多给我们一些信息吗？比如说表情 发型 配饰 衣服颜色之类的？

NFI: 嗯，没问题没问题，我觉得我并没有很专业于这些方面吧，但是我可以给你们我在现场拍到的照片视频啊什么的

NFI: 链接（去现场拍到的照片）

NFI: 可以看看这些照片，是我在现场拍到的，不过这是演唱的状态，不演唱的话偶尔就会扮可爱

NFI: 所以我觉得他们应该私下就更偏向于穿着简单吧，白 t 恤牛仔裤，简简单单的，又酷又可爱，很自然

101: 好的好的，我们画一下给你看

NFI: 你们完成了之后，微信发给我吧，我一会还有个会议，不好意思。

202: 好的，我们画完以后会再发给你。

NFI: 哈哈，可以的，怎么样都好的，不过我觉得我还是喜欢他们是赛博星人，在舞台上发光的样子。

101: 哈哈，我们也觉得他们很酷，那今天的采访就结束了！非常非常感谢你的配合！！！辛苦你了

303: 可以的 bro，再次万分感谢！！！！

202: 非常感谢你抽出时间

101: 啊对了我们会送给你一个小礼物，表达我们的感谢，

NFI: 天呢，太客气了，不用了吧，我觉得你们能够喜欢 MINIG，喜欢音乐支持音乐人就很好了，很酷的一件事

101: 小小心意，表示一下我们的感谢

NFI: 哈哈，好吧好吧，其实 MINIG 乐队官博有关注我的，也是一直以来对他们的喜欢，突然有一天他们来逛我的微博然后自己就关注我了。我想说的是，坚持做好自己想要做的，有一天你喜欢的人也能看到的，在最后分享一个心得哈哈。

303: 呜呜呜呜好 热爱着的人 都会幸运

NFI: 我觉得你们也是啊，做自己爱做的事，坚持让自己变得更优秀，你们今天想要采访关于他们的东西已经跟别人做的很不一样了，哈哈那也晚了，那就采访结束就这样吧。晚安吧，再见。

202: 谢谢你，晚安，再见

303: 再见再见，一直加油！

101: 拜拜

(XX 进入会议)

101: 嗨

202: 哈喽哈喽

(XX 退出会议)

101: 今天的网络信号不太好, 我们的画面可能会闪烁.....

303: 嗯? 人呢?

101: hi? 你还在吗?

202: 诶? 是信号问题吗?

101: 她是退出了吗?

303: 好像是的

(大家尴尬地笑)

101: oh 太奇怪了, 她刚才明明有加入会议了吧

303: 是的, 她加入了又退出了

202: 对啊

(X 又进来了)

101: Hello, hello 听得到吗?

XX: 吓死我了, 我以为进到了什么暗网组织的会议里, 最近看了个关于暗网的电影剪辑, 反正现在觉得电脑里总有人监视我, 我干什么互联网都知道。

303: 哈哈, 别害怕, 就是我们

101: 感谢你接受我们的采访!

202: 不要紧张 不要紧张

XX: 哈哈哈哈哈

XX: 紧张兮兮, 太紧张了

XX: 你们的头盔很 MINIG

303: 哈哈 这是我们用材料自己做的

XX: 背景挺酷的 (在 FAN 说小游戏规则的时候发)

101: 开始采访之前先来个热身小游戏。看图猜歌曲，我们把图片发到聊天框里，你可以看着告诉我们这是 MINIG 的哪首歌，你愿意尝试吗？

XX: 可以呀

101: OK

101: 这是第一张图

XX: 江南？

101: 然后是第二张

XX: Emmmm

XX: 女王！

303: 非常厉害，果然是忠实粉丝，全部都对了

XX: 歌曲的元素很突出，很快就猜到了

303: 非常棒！

101: 请问你愿意开视频或者语音吗？不知道方便吗？

XX: 别了吧，我就打字吧。

202: 没问题，你怎么方便怎么来

202: 我们这边再次强调一下整个采访都会受到保护的 并不会把聊天记录发出去的 只是用作我们的一个课题调研 姐妹请放心。

XX: 好～

XX: 等下！

101: 嗯？怎么了？

XX: 抱歉，要不大家都打字吧，我这边看视频太卡了。

101: 我们开着视频你那边也会卡是吗？

XX: 对 我手机会卡住。感觉要死机了……

101: 这样啊，没事，那我们就都打字聊吧。

(以下为打字聊天)

202: 那我们三个先来做个自我介绍。

XX: 请😊

101: 这里是来自赛博格宇宙飞船的网络连线，我们是 303 cyborgs！首先恭喜你成为我们的幸运粉丝，今天你将和我们一起度过一段轻松愉快的时光。

202: 到今天为止 我们已经来到地球 8015 天 直到最近听到了 MINIG 的出现 让我们觉得赛博星人的文明又可以继续延续 因为我们知道你是地球上的铁杆粉丝 所以我们很希望与像你这样的地球人进行一次跨种族交流

XX: 哇! 我好荣幸!

303: 我们赛博星球人也是有人类基因的哈哈哈哈 只是想与你进行一次轻松的聊天, 希望赛博星和地球的关系和睦发展

101: 想知道你是通过什么途径认识到 MINIG 的?

XX: 2019 年的时候我看到喜欢的一个乐队转发了一些 minig 的微博, 然后渐渐的了解喜欢上了~

101: 你当时第一次看到 MINIG 是什么感觉? 只是因为自己喜欢的乐队推荐了你才喜欢吗

XX: 第一感觉是眼前一亮, 很有新鲜感, 无论是外形还是音乐本身, 最重要的是他们的理念我很喜欢, 在秩序里求自由, 那种不需要标签, 打破规矩, 然后把很多东西重新融合

XX: 而且在金属的外表下 内心是十分可爱的!

101: 看起来你真的很热爱自己的偶像, 也很了解他们~19 年就开始粉他们的话, 也确实是资深老粉

XX: 言重了言重了

101: 所以你有跟自己的偶像私下接触过吗? 或者平时有在街上偶遇过他们吗?

XX: 有接触过, 就是在看完演出后, 偶遇倒是做梦都在想哈哈

202: 哈哈哈哈哈 你太可爱了

XX: 他们要走在地球人的街上可太显眼了哈

101: 这么说你也认为他们不是地球人?

XX: 难道不是赛博星人吗 赛博格

101: 哈哈哈哈哈直观看起来确实是

101: 你从没有怀疑过他们有双重身份吗?

XX: 身份这个我是老粉 我肯定都知道的

XX: 他们刚出道就说过每位成员是半机器半人类, 所以纠结他们是不是地球人这个好像也没多大必要 我觉得我们接受的就是这么个设定, 接收他们为我们带来的新体验

哈哈哈哈哈

101: 那换个角度, 你觉得舞台下的赛博格人在地球上生活有个人自由吗?

XX: 自不自由他们说了算吧

XX: 不过我猜他们既然一半是人类, 那势必会遇到一些人类会遇到的问题

101: 作为你地球人角度, 你说的问题是哪些问题呢?

XX: 打工人打工魂

XX: 既然来到了地球，那就得努力打工生存下去，这是不自由的吧。但他们又在做着自己喜欢的音乐喜欢的事，这对我来讲又是自由的，所以自不自由这种我觉得应该去问当事人

202: 诶 我发现你是个特别有想法的地球人👍

101: 对于外界大部分地球人，他们看起来隐藏着许多秘密，我觉得这种神秘感大多源于他们的外形，你觉得他们奇特的头盔有没有带给他们什么呢？

101: 比如 有什么好处？

XX: 从人类的角度讲那或许是头盔，但是从赛博格的角度讲那就是他们的脑袋瓜。这个装置（暂且这么称呼），让我们看不到他们和人类一样的表情，但就像他们歌里所唱的那样：

XX: 不用知道我是谁，

故事都虚伪，

只用收下我的爱，

再对自己坦白，

不用看到我的脸，

表情会欺骗，

只用回应我的心，

它跳动的频率，

不用看我的眼睛，

有时候不坚定，

只用听我的声音，

是唯一的信息。

XX: 我们生活在一个处处充满虚伪的世界，我们又该如何看待真诚

101: 天呐！这是我第一次听到地球人知道那是我们赛博格的脑袋而不是头盔！好感动

XX: 迷你机的口号是 CU 4 REAL ，但你要是觉得他们带着头盔，这就是个不真诚的表现的话，我觉得就是我们值得思考的问题。所以换方位想想其实那是他们的脑袋他们的真实面目哈哈哈哈

101: 假设啊，我是说假设，如果他们有一天以人类的面貌示人，作为粉丝你会是什么心情？

XX: 只要他们内心思想内核不变，换副面孔又如何呢？所以心情是毫无波澜

101: 所以你觉得他们的音乐创作并不会因此改变，对吧，音乐风格也不会受到影响？

202: 或者说创作自由方面呢？

XX: 他们有透露过下一张专辑会更加赛博朋克一点。以他们的发展趋势来看，音乐的话估计还是会有各种风格的融合和打破风格。外表只是对设定起辅助作用，音乐本身还是会坚持他们的初衷吧。

202: 和地球人的大众音乐市场相比 赛博朋克的音乐风格在地球上还是很小众的，你觉得这样的音乐风格能在地球上延续很久嘛？

XX: 我觉得会呀，听的人虽然没有那么多，但总是存在着的。

101: 那你有担心过他们这种新式的摇滚对于地球现代音乐文明是一种文化入侵吗？

XX: 谈不上入侵吧，这其实是把地球本来存在的一些东西重组融合了一下，就比如 DNA 是固定的，但是重组的话会有不一样的东西生出来

XX: 我们没有要入侵谁，只是希望少数没有找到定位的人可以用之作为参考

XX: 就算是文化入侵，确实也没达到这个程度[允悲]就像上面说的还是很小众

202: 你是不是有去过很多次的现场表演呢

XX: 只去过一次现场[二哈]主要社畜生活限制，无法到处去看演出

XX: 现场真的很棒！19 年的演出我现在都还在回味

101: 可以跟我们具体说说嘛哈哈哈哈

202: 试试描述一下你的感受 哈哈哈哈 我们还有没有机会去体验

101: 向我们描述一下当时的现场

XX: 他们的音乐是偏重型的嘛，所以现场很容易嗨起来，当时因为刚出道加上小众，看演出的人不多，但是看了演出后确实也有好些人转粉了，魅力绝对是有的

XX: 我记得之前演出朋友给我发的视频，有观众直接上台蹦跶去了哈哈哈哈 迷你机本身也坚持一个原则：我们都是迷你机。所以现场氛围很轻松

101: 太酷了 我一定要去一次他们的现场！

XX: 一定不要错过！

202: 所以不管是观众还是 MINIG 来到现场就像是来到赛博星了嘛

XX: 那必须滴 你还可以装扮成赛博星人 就像地球人说的那样 戴上头盔去哈哈哈哈

101: 如果有头盔周边，你会马上购买吗哈哈哈

XX: 这还用问吗？

101: 懂了，不用说你一定买的！

202: 哈哈哈哈 你真的很支持赛博文化 那你有没有注意到 是否有一些地球人不愿意接受他们这样的形象出现在地球上，有没有看到过一些不好的评论呢？

XX: 不好的评价肯定是有的，有些人说这是模仿 daft punk，有些人说这是对金属的亵渎等等

202: 你看到这些评论 会去回击那些发出攻击性言论的地球人吗

XX: 我想说的是，难道你长了眼睛鼻子就是在模仿人类吗？还有不管对金属党来讲这是个什么，但都是一种尝试创新，不喜欢就出门左拐

XX: 我会偶尔回击 因为你永远也不可能控制别人的思想 让别人闭嘴

XX: 有争议的东西，已经证明了它的价值

202: 做的好！

202: MINIG 会去用他们的歌曲来回击这些嘛？

XX: 有呀 歌词里有些就是回击 但是不管怎样，peace 和 respect 最重要啦

202: 认同！最后我们想知道你在了解赛博星人之后，是否有给你的真实生活带来一些潜在的影响？

XX: 首先，就表面来讲，因为在这之前我没怎么接触赛博朋克，现在对这个东西有了一点点意识，但远不够，因为赛博朋克就像一个社会，我无法做到理解这个社会的方方面面，迷你机算是我的对于这个文化的引路人吧。

XX: 深层次的，我喜欢这种精神，不断突破自己，更新换代，你永远有潜力做好下一件事

FAN: 如果我们在地球上成功集结同伴们，你愿意帮助我们和 MINIG 一起建立新物种世界嘛

XX: 我的荣幸！

303: 在采访最后，我们最后以一个“画脸”的小游戏结尾，你收到那个我们发给你的画笔和卡片了吗？

X: 是这个吗？

X: /Users/hantianhui/Desktop/IMG_1816.JPG

303: 没看到呢，要不再发一遍试试？

XX: 稍等下

303: 好的没事

202: 这样吧，我给你直接展示一个例子

XX: 好

202: 你来看一下，是不是收到了左边的那个空白小人

（示例图片）

202: 你可以自己动手画画，描绘出你心中的 MINIG 在舞台下的样子

XX: 是的是的，收到了

XX: 像右边那样画是吗？

XX: 我知道了。

101: 嗯嗯

202: 是的

XX: 要不画完微信发给你们吧，我这好像发不了图片

202: 可以哦

101: 感谢你今天的到来！很幸运，这是我们飞船第一次有地球人来做客。希望以后还有机会见面，也欢迎你再来！

今天的交流会就结束啦！

XX: 也感谢你们喜欢 minig!

303: 完美的回答 感谢你！

XX: 希望有帮到你们～

101: 非常有帮助！！bye～

XX: bye

303: 拜拜啦

202: bye
